A great way to grow!

Included in each card is a special Christmas tree made from seed-embedded paper. The paper can be planted to grow native Australian Swan River Daisies.

Each pack contains four different card designs.

Each card includes one of the following messages:

- "Aside from presents, the best thing about Christmas is helping my Mum so she doesn't break her back"
- "Christmas is all over Australia. It is about loving, caring and forgiving"
- "The best thing about Christmas is eating Christmas pudding, having sleepovers and Christmas beetles"
- "Santa in his boots and hat; Riding in his sleigh; Flying over sand and sea; What a busy day!"

Simply soak and plant the paper to grow!
