

Healthy snack foods fundraiser

Thank you for your involvement in this fundraiser. Your school/organisation appreciates your efforts in helping them raise money with these healthy, easy to sell products.

Your organisation will raise 40% from each sale—that's \$19.20 per carry bag!

Please sell each snack pack for \$2 each. Collect the money in the money envelope and return to your school/organisation as soon as possible.

You may like to use the reverse side of this sheet to promote the fundraiser. Simply write the name of your school/organisation in the space provided and attach the sheet to the outside of your carry bag.
